WHAT SETS US APART?

A key difference between Fastapp and most other AMC's is that Fastapp operates more as a loose cooperative between appraisers whose work has been thoroughly vetted through their ongoing and prior working relationships with the appraisal management staff of Fastapp.

OUR SERVICES

Dedicated to Your Value

We've put our years of experience into developing the organization, tools, and technology to make the appraisal process as easy and efficient as possible. This drive, dedication, and focus has allowed us to not only talk the talk but also walk the walk, giving our clients the experience of having it all.

We exclusively engage state qualified appraisers for every single assignment, handling and streamlining the process from beginning to end, and working one-on-one with our highly trained and educated account executives.
